

bushtrekka

we're ready..are you?

The ultimate bicycle touring companion has arrived. The Bushtrekka is a fully self-equipped bicycle trailer with comforts you'd only dream about. Complete alloy hand-welded frame ensures strength and frame integrity without the weight attached. The unit comes complete with its own foldable, top mounted tent, storage underneath for even to most glamorous traveller and end pockets for easy access whilst packed up. Take a look underneath and you'll find this trailer has its own unique pivoting wheelset, which allows the unit to withstand any surface it travels over.

Best part is the trailer absorbs these surface challenges without transferring them to the bike.

Suited for all bicycle sizes from 20" up to 29" by simply adjusting the ride height of the trailer.

All components specifically made for this trailer are guaranteed.
